Dear Driftwood Owner and Guests,

We wanted to let you know that the Driftwood has not been closed at all during the COVID19 outbreak. At all times we have had Driftwood owners using their weeks, although occupancy was low during the worst part of the crisis.

In addition to the intensified cleaning procedures we have instituted due to the virus, we want you to be aware of the following changes on the property when you come to utilize your week(s).

- 1) Resort wristbands **MUST** be worn at all times while you are staying at the Driftwood. You will not be able to use the pools or the beach access that is open unless you are wearing the wrist band provided to you at check in. Only people actually staying at the resort will be issued wristbands.
- 2) There are only 2 beach accesses open at this time. The access in the Breezeway area has been closed to help prevent people from roaming that area. The Waldo's access is open and the one in front of the 4 Story Building
- 3) Social distancing guidelines **MUST** be followed at all times, no groups of more than 20 people may gather. **MASKS ARE RECOMMENDED AT ALL TIMES THAT SOCIAL DISTANCING CAN NOT BE OBSERVED, AND MAY BECOME MANDATORY IF ORDERED TO DO SO BY THE CITY, COUNTY OR STATE.**
- 4) If Maintenance or Housekeeping personnel need to come into your room for any reason you will need to leave the room while they are there, for both your protection and the protection of the staff.
- 5) Waldo's Restaurant is open at 50% capacity for food service. There is bar service for diners and other guests but no bar stools are allowed at this time.

While Florida and the Driftwood have opened up to "Phase 2" guidelines we are still acutely aware of the protocols that must be taken to ensure our residents and our employees are safe. These protocols can and will change as we move forward depending on what the Governor or local authorities dictate.

We hope all of our summer owners are able to visit this summer, and enjoy the resort, the beach and all the area has to offer.

Regards,

Jeanne L. Radlet  
General Manager
